Dear Erika,

I am pleased to inform you that based on your application and on the recommendation of the IWCB Charity committee, the IWCB Board has granted your request for funding. Your organization has been approved to receive 9,066.16 € from the IWCB charity fund. This amount will be transferred to the bank account stated in your application form and should cover the purchase of various therapy items and furniture.

Please allow me to remind you that the donation is to be used exclusively for the purpose specified in your application, and that we respectfully ask that you send us copies of the accounting documents and/or invoices, as well as pictures of the items purchased - once they are installed and in use. In the event that Centrum včasnej intervencie Bratislava ceases to operate within three years of receiving the IWCB donation, the IWCB will decide which organization the furniture and therapy items will be donated to. Also, we would greatly appreciate if you could include the IWCB among the list of sponsors of your organization.

We wish you great success in the running of your center, so the lives of many children and their parents can continue to be changed by your very impressive daily work.

Respectfully,

Lisa M Nelson  
IWCB Charity Coordinator
