Dear Mrs. Tichá,

I am pleased to inform you that based on your application and on the recommendation of the IWCB (International Women's Club of Bratislava) Charity Committee, the IWCB Board has granted your request for funding. Your organization has been approved to receive 7,379.71 € from the IWCB charity fund. This amount will be transferred to the bank account stated in your application form and will cover the purchase of the mobile portable suitcase equipment for your clients to use. We will fund all of the items stated in the list provided to us by Denisa Vasilová via email on 16 March, 2017, except the final item, the Teller Acuity Cards (16 cards), which amounts to 3,695.80.

Please allow me to remind you that the donation is to be used exclusively for the purpose specified in your application, and that we request that you send us copies of the accounting documents and/or invoices, as well as pictures of the items purchased, once they are in use. Also, we would greatly appreciate if you could include the IWCB among the list of sponsors of your organization.

We wish you great success in the running of the Centrum včasnej intervencie Bratislava so the lives of many children can continue to be changed by your very impressive work.

Respectfully,

Dawn Harman  
IWCB Charity Coordinator
